make your own treasure map!

#5in5 let's go outside!

you will need:

- paper
- colouring pens
- glue
- printer
- scissors

step 1 print our map template

step 2 cut out the map and the labels from the worksheet

step 3 hide a secret object somewhere in the garden or your neighbourhood

step 4 draw a map to help someone find the object

step 5 plot out the route to take them from where they are to the treasure

step 6 make sure you include lots of helpful drawings and cut out labels so that the map reader understands where to go

step 7 will you need arrows, a compass and a key on your map?

tips:

- use the X to mark the spot where you start
- use landmarks, houses, trees and shrubs to help the hunters find their way
- use a tea bag to make the map look old and let it dry!
