

## Finger Puppets

 **Total time: 1 hour**

 **Activity difficulty - Difficult**

### Instructions

Finger puppets make great narrators for your little ones story time! Make this Fruit Bowl finger puppet by following our simple guide.

1. Open the jungle finger puppet template and print out.
2. Glue the animals onto cardboard to make stronger, and the strips on a thinner paper so they can wrap around your fingers.
3. Carefully cut out all the animals.
4. Carefully cut out all the strips.
5. Glue the middle of each strip to the back of each puppet.
6. Glue or tape tab A to tab B of each finger puppet so that it fits snugly on a finger.
