Play Chalk games!

#5in5 let's go outside!

use coloured chalk to create fun games on your drive or a pavement.

Draw a long, wiggly line and see if you can follow it right to the end. Create a giant target and see if you can throw a beanbag or small toy into the centre. Play a supersized game of noughts and crosses or create your own obstacle course with instructions written at each stage.

You will need:

- all you need is chalk!

hopscotch

Let's jump our wat to the highest number and see who can make it without falling!

noughts and crosses

Get competitive and play a supersized game of noughts and crosses

obstacle course

Create your own obstacle course with instructions written at each stage. Challenge each other to see who can get through the most courses or use a timer to see who is the quickest!

follow the line

Draw a long, wiggly line and see if you can follow it right to the end.

bullseye game

Create a giant target and see if you can throw a beanbag or small toy into the centre.
