

get crafty outdoors!

#5in5
let's go
outside!

crafts are always fun, and making things is even more exciting outdoors. use your imagination to come up with creative things to do!

noughts and crosses

- step 1 collect 10 stones
- step 2 paint crosses on 5 stones and circles on the other 5
- step 3 draw horizontal and vertical lines
- step 4 start playing

you will need:

- 10 stones
- paints and a paint brush
- sheet of paper
- scissors

junk modelling

- step 1 gather your items
- step 2 design your creation
- step 3 some of the ideas might include: robots, houses, planes, cars, dinosaurs, binoculars
- step 4 get outside and start making your creation!

you will need:

...whatever items you can find, be creative!

- plastic bottles, cartons, empty cereal boxes, cardboard tubes, sweet wrappers, foil, fabric scraps, jar lids, yarn or cotton reels
- glue, cellotape, and scissors

shadow drawing

- step 1 on a sunny day, set out some toys on a sheet of paper
- step 2 draw around their shadows

you will need:

- pens or colouring pencils and a sheet of paper
- objects to draw around - animal figures, dinosaurs, cars, fairies, robots or your favourite toy...be creative!
- a sunny day!
