

# make a maze using sticks!

#5in5  
let's go  
outside!

it's great fun to try and find your way out of a maze. build one in your garden and challenge a friend to solve it!

## steps:

step 1: draw your own maze

step 2: collect sticks from the park, forest or around your house

step 3: using the maze map you have designed, plan out your maze on the ground

step 4: challenge a friend to solve it!

## tips:

- include a dead end or two to make it more confusing
- for a bigger challenge, wear a blindfold and get your friend to steer you through the maze with their voice

## you will need:

- pen
- paper
- sticks
