

# make your own treasure map!

#5in5  
let's go  
outside!

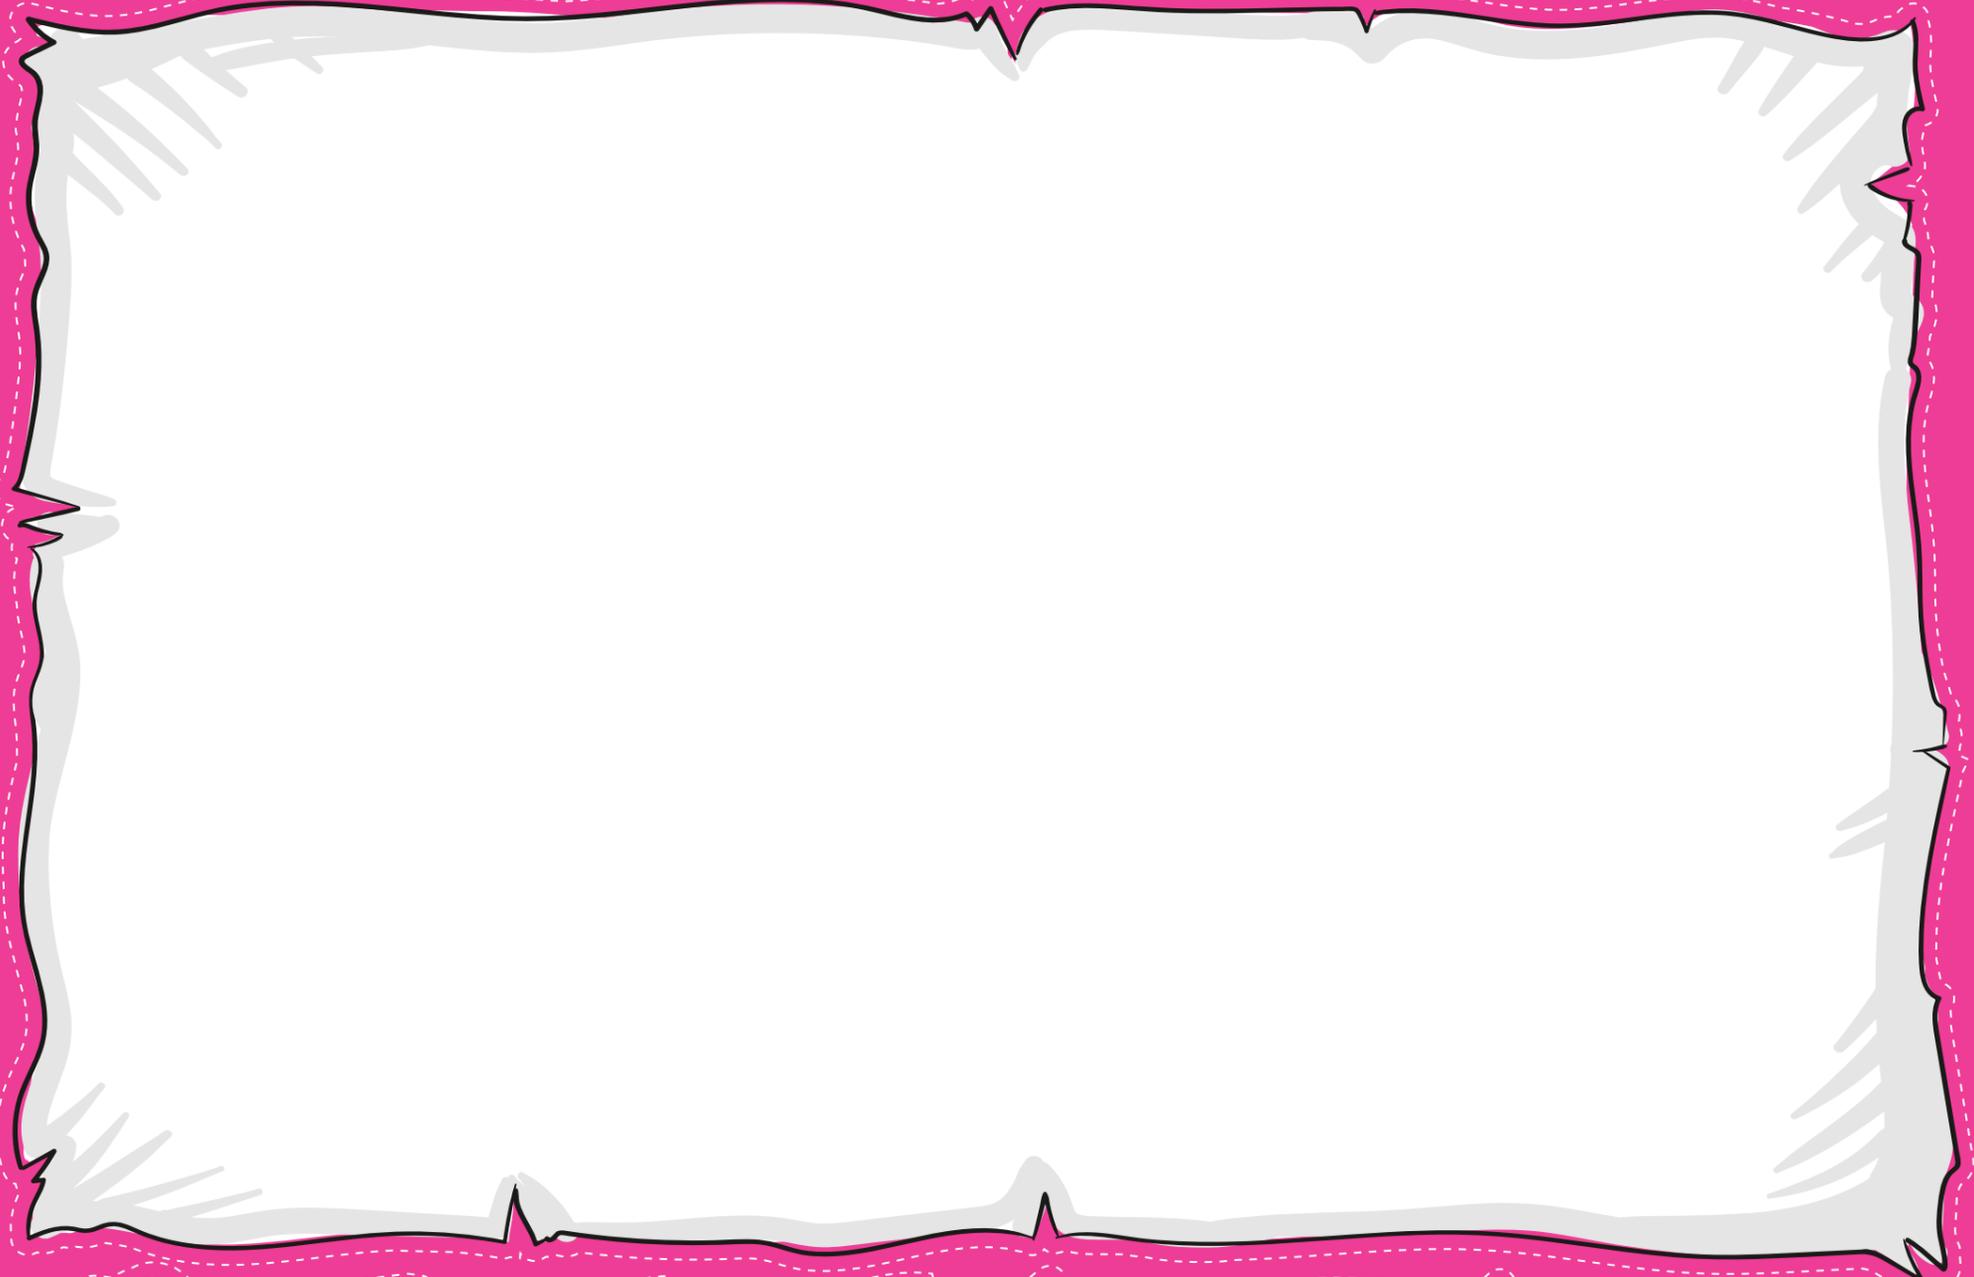

## you will need:

- paper • colouring pens • glue • printer • scissors

- STEP 1 print our map template
- STEP 2 cut out the map and the labels from the worksheet
- STEP 3 hide a secret object somewhere in the garden or your neighbourhood
- STEP 4 draw a map to help someone find the object
- STEP 5 plot out the route to take them from where they are to the treasure
- STEP 6 make sure you include lots of helpful drawings and cut out labels so that the map reader understands where to go
- STEP 7 will you need arrows, a compass and a key on your map?

## TIPS:

- use the X to mark the spot where you start
- use landmarks, houses, trees and shrubs to help the hunters find their way
- use a tea bag to make the map look old and let it dry!
